

American Health Technology Group (AHTG) Awarded Contract for Trio VMS

**Licensing agreement with blue chip client validates Trio VMS as best-in-class software*

Edmond, OK – May 16, 2019 – American Health Technology Group (AHTG), a next-generation healthcare workforce solutions IT provider, announced today that the Company’s premier product, Trio, has been awarded a new multi-year contract to support VISTA Staffing Solutions (an Envision Healthcare company), the fourth-largest locums tenens staffing provider and 14th-largest healthcare staffing firm overall in the United States. The agreement is focused on providing end-to-end vendor management services (VMS). AHTG is a division of American Health Staffing Group (AHSG) and a portfolio company of BelHealth Investment Partners.

“The Trio and AHTG team is excited to provide the technology platform for VISTA’s MSP solutions, as well as leverage our expertise across the full range of our healthcare technology services team to support VISTA’s continuing evolution and growth,” said Mark Smith, CEO of AHSG.

Developed specifically for the diversity and complexity of the healthcare workforce staffing space, Trio VMS combines ease-of-use with consideration to the critical importance of credentialing, privileging and compliance, in addition to the scheduling challenges of locum tenens.

“After a rigorous search and vetting process across the VMS landscape, we found Trio to be a top performing Locum VMS solution and the AHTG team to be experienced, forward-thinking and highly engaged,” said Christian Rutherford, CEO of VISTA Staffing Solutions.
